GENERAL PROVISIONS

THIS MEMORANDUM OF UNDERSTANDING is hereby entered into by and between the CITY OF PHOENIX WORKFORCE INVESTMENT BOARD, hereinafter referred to as "PWIB," and the STATE OF ARIZONA DEPARTMENT OF ECONOMIC SECURITY, AGING AND ADULT ADMINISTRATION, hereinafter referred to as "DES."

STATEMENT OF WORK/RESPONSIBILITIES

NOW THEREFORE, the parties hereby agree as follows:

A. PURPOSE

The purpose of this Memorandum of Understanding is to establish the roles and responsibilities of DES and the Phoenix Workforce Investment Board.

B. THE PARTIES' RESPONSIBILITIES

1. Responsibilities of DES - See Part B.
2. Responsibilities of the Phoenix Workforce Investment Board - See Part B.

C. TERM

The term of this Agreement shall commence on July 1, 2000, and shall end on June 30, 2001.

D. NONAPPROPRIATIONS

The parties recognize that the performance by either party hereunder may be dependent upon the appropriation of funds to or by that party. Should either party fail to be appropriated or to appropriate the necessary funds, that party may, by written notice to the other party, cancel this Memorandum of Understanding without further duty or obligation. Each party agrees to notify the other as soon as reasonably possible after the unavailability of said funds comes to the party's attention. The parties shall have sole responsibility in the operation of their respective programs; and shall have sole discretion to determine the availability and appropriation of their funds and resources.

E. AMENDMENTS

Amendments to this Memorandum of Understanding shall be in writing, signed by all parties to the Memorandum of Understanding. Formal amendments shall not be needed to notify parties of address changes, changes in position, titles, etc. Such information may be provided via correspondence between the parties.

PART B

**LOCAL WORKFORCE INVESTMENT AREA
MEMORANDUM OF UNDERSTANDING**

BETWEEN THE

CITY OF PHOENIX WORKFORCE INVESTMENT BOARD

AND THE

**STATE OF ARIZONA DEPARTMENT OF ECONOMIC SECURITY
AGING AND ADULT ADMINISTRATION**

A. INTRODUCTION

This Memorandum of Understanding (MOU) is entered into with cooperation and collaboration by the Phoenix Workforce Investment Board, hereby referred to as the PWIB, and the State of Arizona Department of Economic Security (DES) Aging and Adult Administration.

The purpose of this MOU is to establish an agreement between the aforementioned entities regarding their respective roles and responsibilities for the implementation of the provisions of Section 121 (c) (2) of Title I of the Workforce Investment Act (WIA) of 1998, USC 9201. This agreement describes the respective funding streams and resources that will be utilized to better serve mutual customers, including employers and clients seeking employment. This program will be conducted through an integrated system of service delivery, hereby referred to as the Phoenix Workforce Information Network (PWIN). It is understood that the development and implementation of this system requires mutual trust and teamwork between the agency partners, working together to accomplish the following common and shared goals:

- To build a workforce development system that will substantially improve the employment skills of the customer. This will benefit employers and the economic development of the Local Workforce Investment Area.
- To eliminate unwarranted duplication of services, reduce administrative costs, and enhance the participation and performance of customers served through the system.
- To establish guidelines for creating and maintaining cooperative working relationships. This will be facilitated through joint planning and evaluation services, and the development and utilization of more efficient and effective management, financial, and human resources.

B. STRATEGIC VISION FOR THE PWIN ONE-STOP DELIVERY SYSTEM

The purpose of the PWIN is to advance the economic well being of

the local workforce investment area by developing and maintaining a quality workforce, and by serving as the focal point for all local and regional workforce investment initiatives. This will be achieved through the delivery of an integrated, high quality and customer oriented array of services. The services will provide workforce investment, education, and economic development benefits to employment seekers, incumbent workers, and employers.

There will be universal access to core services without eligibility requirements. Core services include general outreach, intake, orientation, initial assessment, the provision of unemployment insurance claim information, job search, job placement, information, labor market information, referral for services, eligibility determination, and follow-up counseling.

Universal Access/Customer Choice - All customers (individuals and businesses) will have equal access to the information, services, and lifelong learning opportunities that are provided by the Partners of the integrated, results-oriented One-Stop Delivery System.

Universal Eligibility - All customers, including those with special needs and barriers to employment, will have access to a Core set of services at each One-Stop Center. The Core services are designed to provide information and assist customers with making career decisions through the use of Labor Market Information, agency staff and resources, and other available services.

All customers may explore work preparation and career skills materials. Customers may have access to information on a wide range of occupational training and educational programs in order to enhance their employment opportunities. Customers will be encouraged to take advantage of employment opportunities and job development services that are available through the One-Stop Centers.

C. ONE-STOP PERFORMANCE REQUIREMENTS, GOALS, AND ASSURANCES

Accountability must drive the workforce investment system towards the system's goals. Therefore, the following goals are defined regarding the specific accountability elements in each area in the One-Stop delivery system.

1. Goals/Performance Measurement Design

Customer Satisfaction

The accountability system should measure the success of the One-Stop Delivery System in ensuring that the employers and workforce development participants are highly satisfied with workforce development services.

Cost Effectiveness

The accountability system should measure the success of the One-Stop Delivery System in ensuring that the Workforce Development System continually seeks to maximize the use of available resources in a cost-effective and efficient manner.

Development of High Performance Workplaces

The accountability system should measure the success of the One-Stop Delivery System in ensuring that employers are provided with effective support in the development of high performance work organizations that maximize the skills and potential of a diverse workplace.

Self-Sufficiency and Welfare Reduction

The accountability system should measure the success of the One-Stop Delivery System in reducing the number of individuals who are dependent on public financial assistance by assisting them in obtaining stable employment and earning a livable wage.

Linkage Enhancement Between Workforce Investment Services and Business Needs

The accountability system should measure the success of the One-Stop Delivery System in ensuring that the delivery of services responds to the workforce investment needs of business.

Universality and Customer Choice

The accountability system should measure the success of the One-Stop Delivery System in ensuring the implementation of an integrated, results-oriented workforce development system that is based on the needs of all customer groups and ensures individuals and businesses equity of access to information, services, and lifelong learning opportunities.

Attainment of Knowledge/Skills Needed in the Workplace

The accountability system should measure the success of the One-Stop Delivery System in assisting individuals in gaining the academic, occupational, and workplace knowledge and skills that are required for educational advancement or continued success in meeting the changing demands of the workplace.

Employment

The accountability system should measure the success of the One-Stop Delivery System in assisting individuals in entering, retaining, or upgrading jobs.

2. Each Partner agrees to the following assurances:
 - a. All partners in the One-Stop Delivery System will adhere to agreed upon reporting schedules.
 - b. All partners in the One-Stop Delivery System will provide agreed upon performance data.
 - c. All partners in the One-Stop Delivery System will provide data in an agreed upon format.
 - d. All partners in the One-Stop Delivery System agree to work toward the development of common performance goals and measures that will be in alignment with the stated goals of the workforce investment system.
